1. This exhibit had many objects. What object meant the most to you?

2. What is the most important thing you learned about the Sister Survivors?

3. Part of the exhibit was about helping people who have been hurt. What is one way you can help people who have been hurt?

4. The butterflies in the exhibit make us think about changes. A butterfly egg becomes a caterpillar, then a chrysalis, then a new butterfly! How do things - good and bad - that happen in our lives change us?

5. Is it important to stand up for what is right with other people? Why or why not?

6. You should have trusted adults you can talk to. Who are your trusted adults?

7. What would you tell a friend about this exhibit?
